

7.1.3 Institutional Distinctiveness:

Sports Facilities and its Optimum Utilization

The vision of College of education, Barshi is imparting quality education in teacher education for inculcating national values. Our institute has constructed multipurpose indoor hall, World standard swimming pool of 50 mtr length and 20 mtr width with 8 lanes, also we have a well equipped gym facility where we have plenty of free weights and machine with multiple facilities. All these facilities our college has make available for our student-teacher to develop their skill and performance. Our teachers guide them properly with precision. Our all above said facilities with full capacity to develop their skills and performance and also promotes to participate in various sports tournaments at various levels organized by various organization.

Objectives of Sports Facilities

1. To builds endurance, muscle strength and cardiovascular fitness to sports students. To help sports students maintain a healthy weight, healthy heart and lungs.
2. To provides sports students all-over body workout, as nearly all of sports students muscles are used during swimming.
3. To motivate sports students to participate in various level competitions and achieve success
